Student Voices on our committees

How we seek your feedback on the postgraduate experience.

Via student representation on Chemistry's:

- **Graduate Studies Committee**

Graduate Studies Committee (GSC) meets 4 times a year, reporting to the Board Of Studies (BoS) and consisting of:

4 members of staff including the Chair, Director of Graduate Studies, a formal Secretary and an academic representative of each research area plus research postgraduate reps spanning areas and modes of postgraduate research.

If you wish to raise any issues for consideration at the GSC please contact your reps who will bring it to the attention of the committee.

Meetings are usually in October, December, March and June.

- **The Board of Studies in Chemistry** membership comprises of academic staff, an Undergraduate and a Postgraduate rep and reports up to Faculty

level.

Via surveys such as:

- The [Postgraduate Research Experience Survey \(PRES\)](#) enables UK universities to gather and benchmark data and information about the experience of research students on a doctoral or research master's course - look out for links to participate.
